

Education Cards

Schools and Education Institute Cards

- GCS provide durable, cost effective photo identification cards.
- GCS offer an onsite photography service, we can work with your school photographer, or you can supply your own student/staff photographs.
- Designs can include your logo, student name and number, photograph etc. This allows easy access to information for your library and other student services as well as student discounts in the wider community.
- Orders for cards are simply placed via email. Artwork for logos may be sent in .jpg, .pdf, or .ai formats. Your cards are then produced and delivered promptly to you ensuring minimal disruption to the daily running of your programs.
- GCS can also supply a cashless stand-alone system for your cafeteria which eliminates the need for students to carry cash and could be used for healthy eating rewards.
- GCS can provide top quality software, printers and consumables at competitive prices if you prefer to print your own cards.
- We can provide a database of students with their photo and unique student number.
